Subject: Glass Fiber Project - Export License

After a lengthy debate with the U.S. Department of Commerce - Office of Export License, we were able to obtain their approval to export the technology for the E-Glass Continuous Fiber on the condition that we receive a "Letter of Assurance" from the Importer, Technical Corps for Special Projects, that neither the technical data nor the direct product thereof is intended to be shipped, either directly or indirectly, to some specified countries, as per the list of countries in the attached letter text.

To enable us to transfer the technology, you are kindly requested to send a "Letter of Assurance" as per the attached text.

Very Truly Yours,

A.T. Qaddumi
Project Manager
